Dear Sir:

Please consider this and the attached documents as a petition for correction of filing date in the above-mentioned patent application ("the application"). The application was assigned a filing date of February 9, 2004 by the Patent and Trademark Office.

Applicant petitions that the filing date be corrected to February 6, 2004.

Please direct further correspondence to Customer Number 035884. Applicant requests that all deficits and credits be referenced to Deposit Account No. 502290 order 2080-3227.

Regarding correction of filing date, 37 CFR § 1.10(d) states:

d) Any person filing correspondence under this section that was received by the Office and delivered by the "Express Mail Post Office to Addressee" service of the USPS, who can show that the "date-in" on the "Express Mail" mailing label or other official notation entered by the USPS was incorrectly entered or omitted by the USPS, may petition the Director to accord the correspondence a filing date as of the date the correspondence is shown to have been deposited with the USPS, provided that:

(1) The petition is filed promptly after the person becomes aware that the Office has accorded, or will accord, a filing date based upon an incorrect entry by the USPS;

- (2) The number of the "Express Mail" mailing label was placed on the paper(s) or fee(s) that constitute the correspondence prior to the original mailing by "Express Mail"; and
- (3) The petition includes a showing which establishes, to the satisfaction of the Director, that the requested filing date was the date the correspondence was deposited in the "Express Mail Post Office to Addressee" service prior to the last scheduled pickup for that day. Any showing pursuant to this paragraph must be corroborated by evidence from the USPS or that came into being after deposit and within one business day of the deposit of the correspondence in the "Express Mail Post Office to Addressee" service of the USPS.

In April 2005, this office became aware of a discrepancy between the filing date assigned to the application and the date which the application was deposited in the Express Mail Post Office to Addressee. As shown by the Appendix A (internal filing documents), the application was filed on February 6, 2004. Appendix B (declarations of E. Byun and M. Uribe) provides further proof that the application was properly deposited on the February 6th, prior to the last scheduled pickup for that day. Appendix C (recent "print screens" of "Windows" folders containing the application documents) shows that the application and filing paperwork were completed on or before February 6, 2004. Appendix D (USPS Express Mail documents) shows that the application was recorded on February 9th (a Monday). The number of the Express Mail mailing label was placed on the papers and fees that constitute the correspondence prior to the original mailing by Express Mail.

If for any reason the Director finds the petition other than in condition for acceptance, the Director is requested to call the undersigned attorney at the Los Angeles, California, telephone number (213) 623-2221 to discuss the steps necessary for placing the petition in condition for acceptance.

Dated: April 21, 2005
